

2023 Kansas Statutes

40-2c26. Notices by commissioner; effective, when. All notices by the commissioner to an insurer which may result in regulatory action under this act shall be effective upon dispatch if transmitted by registered or certified mail, or in the case of any other transmission shall be effective upon the insurer's receipt of such notice.

History: L. 1994, ch. 138, § 26; July 1.
