

2023 Kansas Statutes

48-955. Guidelines and procedures. The division shall develop comprehensive guidelines and procedures for implementation of the Kansas mutual aid system, including, but not limited to, the following: Projected or anticipated costs, checklists for requesting and providing assistance, record keeping for all participating political subdivisions, reimbursement procedures, use of a common glossary of terms and definitions of resources and other necessary implementation elements, along with the necessary forms for requests and other records documenting deployment and return of assets.

History: L. 2006, ch. 106, § 8; July 1.
