

2023 Kansas Statutes

75-53,115. Same; continuing requirements for program participation. In order to remain eligible for participation in the program, an eligible foster child shall remain in good standing at the Kansas educational institution where the eligible foster child is enrolled and shall make satisfactory progress toward completion of the requirements of the educational program in which the eligible foster child is enrolled.

History: L. 2006, ch. 132, § 5; July 1.
