

## **Cherokee County Sales Tax Authority; SB 21**

**SB 21** retroactively ratifies the results of a November 2020 election in Cherokee County that would impose a 0.5 percent retail sales tax for the purpose of financing ambulance services, renovation and maintenance of county buildings and facilities, or other projects within the county approved by the governing body of Cherokee County. The bill provides that the entire proceeds of the tax will be retained by the county and will not be subject to apportionment to other municipalities. The bill requires the tax to terminate prior to January 1, 2033. The bill will be in effect upon publication in the *Kansas Register*.
