Senate Federal and State Affairs Committee

SB 3 - Proponent Testimony

Sophia Phillips

Student, Challenger Intermediate School

Chairman Thompson and Members of the Committee,

On behalf of the students at Challenger Intermediate, I wanted to thank you for allowing us the opportunity to speak in front of you here today. It has been an incredible experience to get involved in the legislative process first-hand. To be an integral part of history being made here in Kansas is an experience we will treasure for the rest of our lives.

As I close, we wanted to present to the committee members a gift - a great story that explains the real reason we are here today!

Thank You!
