

2023 Kansas Statutes

19-2649. Supervisor or curator of historical records; appointment, compensation, duties; designation of incorporated museum or society as supervisor or curator, when, compensation. Any such board which has established an historical collection as provided in this act, may appoint and fix the compensation of a supervisor or curator for such historical collection. The board may appoint as supervisor or curator a person who is a county officer or employee, and if such a county officer or employee is appointed the compensation fixed by said board shall be in addition to his compensation as such other county officer or employee and no other statute fixing or limiting the compensation of county officers or employees shall apply to the compensation received as such supervisor or curator. Said supervisor or curator shall have charge of said historical collection, arrange for its display, care and maintenance and shall perform such other duties in connection therewith as said board may require. If there is an incorporated museum or an incorporated historical or similar society located within the county, such society may be designated by said board as the supervisor or curator of such historical collection, and said board may provide to the society such compensation, funds or reimbursements for establishing, collecting, supervising, housing, displaying, caring for and maintaining such historical collection as shall be agreed upon by the board and the society.
