

2023 Kansas Statutes

19-3521. Annual financial statements; publication of summary; copies available. Within 90 days after the end of each calendar year, the water district board shall publish or cause to be published in a newspaper of general circulation within the township or townships in which such water district is located, a summary which shows totals for categories of the receipts, expenditures, liabilities, assets and bonded indebtedness of such water district as of the end of such calendar year. Such publication shall include a notice that a detailed statement of such receipts, expenditures and liabilities is available for public inspection at the county clerk's office. Copies of the report shall be made available upon request. Such statement shall be duly verified and after appropriate audit, such statement shall be certified by a licensed municipal public accountant or by a certified public accountant.
