

2023 Kansas Statutes

19-4704. District court; jurisdiction. The district court shall have jurisdiction to hear and determine cases under the procedures prescribed in this act for violation of all county codes and resolutions, but this code shall not apply to nor be utilized for the prosecution of any action which is defined as a traffic offense.

History: L. 1988, ch. 102, § 8; April 21.
