

2012 Kansas Statutes

68-538. Reports of township overseer. Each township road overseer shall keep an accurate account of all labor and materials used by him in the construction, repair and maintenance of township roads and culverts on forms prescribed by the county engineer, and in such manner as will enable the township board to determine the actual cost of constructing, repairing and maintaining the roads and culverts under his jurisdiction. He shall make a careful, itemized, signed report of the same and present it to the township board on the first of each month following the month in which the bills were incurred.
