Subject: Senate Bill 70

Mr. Chairman, and members of the committee, it is a pleasure to appear before you regarding SB70. This bill is primarily housekeeping in nature and has no fiscal or administrative impact on the division.

SB 70 would amend K.S.A. 8-126 to add various definitions related to automobiles and other vehicles, most of which are currently listed in the Uniform Act Regulation Traffic and are used daily by the Division of Motor Vehicles. The bill would also reorganize the entire statute alphabetically to make it easier to find definitions or terms.

Additionally the division has redefined "Electric Vehicle" as well as added definitions for "Electronic Notice of Security Interest", "Lien" and Notice of Security Interest which were previously not addressed in K.S.A 8-126.

The passage of SB70 will have no fiscal or administrative impact on the division.

Thank you for your attention. I would be happy to stand for questions.
